Guidelines for Content Submission to Guildwood News & Views

Revised May 2023

Thank you for contributing information that is relevant to our community members. Below you'll find guidelines regarding the articles to be submitted and photos/images that can accompany them.

Format: Word or text version is preferred in order to allow for editing and proofreading

Word count: Up to a maximum of approximately 2000 words

Photos/images:

- 1 to 10 relevant photos.
- If photos are placed into your WORD document, please **also** submit photos as separate files.
- Include the photographer's name or copyright owner.
- Provide a headshot of the person writing the article or a logo of the association, if possible. This will be displayed as a small thumbnail image under the headline.
- Please note:
 - we will contact you if format or size/resolution is not acceptable
 - photos will appear in black & white in the printed version of the publication and in colour on the web site (guildwood.ca)

Categories of articles published:
