# ABOUT OUR COMMUNITY

Guildwood Village is a vibrant neighborhood in east Toronto, home to 7,000 residents who enjoy the scenic beauty of the Scarborough Bluffs. Established in 1957, the community takes its name from the original "woods" surrounding the historic Guild Inn and the Guild of All Arts, a cherished destination for artists and visitors for over half a century. Today, the volunteer-led Guildwood Village Community Association (GVCA) represents local residents by sharing information, addressing community concerns, and organizing engaging, family-friendly events.
